

Divorces in Tippecanoe County Courts

This index includes parties named in divorce cases between 1823 and 1967 (not inclusive). In most cases the names are husband and wife. However, in some cases the party may be an attorney or minor child. Multiple entries for a name indicates there is information in more than one source. Please note, this list is not exhaustive.

We have a small number of more recent cases. Please contact us for a particular name.
