

## Alameda McCollough Research Library, Tippecanoe County Historical Association

**1830-1904 Early Obituary Index**

This obituary index is from early newspapers in our collection.

Some are just death notices, but others have more. Spelling is a continuous issue in early times. Note; brackets are added information from other sources.

Names are repeated because they were listed in more than one newspaper.

Email for cost at [Library@tippecanoehistory.org](mailto:Library@tippecanoehistory.org)

First Name M	Last Name	year	age	spouse/ maiden/misc
