

Tippecanoe County, Indiana -- Children's Index of Indentures from Books and Loose Papers									
This is an index of resources related to the indenture or apprentice records of children found in various sources from Tippecanoe County, Indiana. The date of each entry may be the date of indenture or the date of contract signed. These records may include children who were indentured, apprenticed, and in some cases pseudo-adopted as well as orphaned, abandoned, and/or children of impoverished families. Copies of full descriptions of each indenture are available. This is an ongoing project so check back regularly for additions to this index.
