

Tippecanoe Battlefield Museum Search!

Find the answers to the questions below by searching the exhibits at the Tippecanoe Battlefield Museum.

1. Find the display of **Native American artifacts**. In the space below, draw one of the artifacts. Make sure to write down what the artifact is.

- 2. Look in the *Keth-Tippecanunk* cases. What did the Native Americans use to decorate their clothes **post-contact**? What does post-contact mean?
- 3. Why did people measure the land? What tools did people use to measure the land?
- 4. Who was **William Henry Harrison**? What was the name of his home?
- 5. What types of things would a soldier carry in his pack?

- 6. Find a primary source (first hand description) of the Battle of Tippecanoe. Who wrote it?
- 7. What was the Prophet's Native American name and what did it mean? Why was he called the Prophet?

8. Find the **copper tea kettle**. What is in the display case with the kettle that you would *not* take on a camping trip?

9. What kinds of instruments did a doctor use in 1811? Are there things that doctors still use today?

10. Find the old flag. Count the stars in it. Why do you think there were that many stars on the flag?

11. Find a county in Indiana that was named for a man who fought in the Battle of Tippecanoe.
