

These Family files were recorded and sorted in 2012

The list is printed here from the family files in the Stacks. Arranged in A to Z file cabinets. Most information came from people working on these families. They have donated copies of their research. There is also research letters from people who have worked on these families. Some may contain obituaries, charts or

There are also copies of the Ancestor-Descendant Project. Certificates were given to folks who proved their early ancestry in Tippecanoe County.

Also noted in these pages are the Family History Books that have been done. They are housed on the East shelf on the reading area in this Library. Arranged in A to Z order.

Please feel free to donate or update your Tippecanoe County family charts or letters to our collection. It may help the future researching the next generations.
